

CHARITABLE DONATIONS

Why: KPI is committed to being part of our community and as such wishes to make charitable donations to support the community. The process is as follows:

Who: KPI will support the following organizations on an annual rotating basis

Kemptonville District Hospital
Beth Donovan Hospice
Salvation Army
Lazarus House
Kemptonville Home Support
Kemptonville Youth Centre
Kemptonville Library
Naomi's Family Resource Centre

On an ad hoc basis KPI may choose to support the following:

Lions Club (Christmas and Canada Parade)
Kemptonville Legion (Remembrance Day Wreath)

What: KPI will donate a set amount of \$200 (subject to change) to the rotational organization. KPI can choose to buy a wreath from the Legion and donate \$\$ to the Lions Club to support the parade.

When: The rotational charities will receive their donation in December which seems to be the time of most need. The ad hoc charities will receive donations at the time of the events.

How: A record will be kept indicating the rotation of the charities and the date of the donation. Tacit approval for these organizations has been agreed to by the Executive. The ad hoc donations will have to be approved by the Executive before donations can be made. Any new rotational charities will also have to be approved by the Executive.
